## KnitLit the Third We Spin More Yarns Linda Roghaar and Molly Wolf

This is an all-new, tightly-woven collection from the editors of the popular series about knitting, knitters, and the world of fibre arts. The third collection is full of true tales and original fiction about the craft, and is sure to be a perfect fit for knitters who love to read—and for readers who love to knit.

## Kaffe Fassett's Museum Quilts Kaffe Fassett

Kaffe Fassett, world-renowned textile designer and bestselling author, has created an inspiring showcase of extraordinary colour combinations and dramatic new patterns in 20 patchwork designs. In his inimitable style, Kaffe combines a fresh contemporary look with the timeless quality of the Victoria & Albert Museum's antique masterpieces. It is simply delicious.

Other beautiful Kaffe Fassett books include:

### Passionate Patchwork

Over 20 original quilt designs

### Kaffe Fassett's Pattern Library

Over 190 creative knitwear designs

## The Yarn Girls' Guide to Beyond the Basics Julie Carles and Jordana Jacobs

The Yarn Girls, Julie Carles and Jordana Jacobs, are back with a follow-up to their popular books *Simple Knits* and *Kid Knits*. In *The Yarn Girls' Guide to Beyond the Basics* they offer up 30 brand-new patterns to stretch the skills of new and experienced knitters alike. Highlighting techniques like cabling, colour changes and shaping, the Yarn Girls combine their usual straightforward instructions with chunky yarn suggestions to yield quick results. There's something here for knitters of every level—*The Yarn Girls' Guide to Beyond the Basics* has inspiration that'll keep every knitter's needles clicking.

## Quilted Planet Celia Eddy

A practical and beautifully illustrated quilt sourcebook celebrating the diversity of quilting traditions from around the world, *Quilted Planet* showcases more than 40 quilting techniques and shows how these methods have developed over time. This is a must-have reference for any crafter, collector or historian—it's the perfect gift for anyone with an appreciation for this timeless craft.

## Get Crafty Jean Railla

This isn't your mother's Home Ec manual! Jean Railla's *Get Crafty* will inspire you to make creative choices throughout your life—in the ways you shop, cook, dress, decorate, and, of course, craft. Discover how much fun it can be to make things yourself: *Get Crafty* includes instructions for a knit bikini, DIY cards, floral soap, and homemade peppermint lip gloss. But this isn't just about craft projects; it's a new way of thinking and living, of finding happiness by expressing yourself creatively in every aspect of your life. And while it may still be Home Ec, it sure is hip.
